Invitation Code: c0258ba0-9cd3-11ea-a722-a730f33b32d4

#### Extraversion

##### Subdued

Modest, lack the ability of influencing others, passive, mostly prefer to support than lead and may avoid responsibility.

6

##### Empowered

Dominant; happy to lead and take charge; talk others into doing things; assertive and controlling.

##### Reserved

Mostly want to keep others at a distance; rarely get excited; reveal little about themselves; may prefer own company and avoid spotlight.

7

##### Sociable

Outgoing; socially confident and participating; usually like to talk a lot; make friends easily.

#### Agreeableness

##### Detached

May not readily show empathy; inwardly focused; indifferent and unsentimental with others' needs and feelings.

7

##### Compassionate

Tend to affiliate with others emotionally and place others' needs ahead of their own, be empathetic, caring and compassionate.

##### Challenging

Direct and straightforward; comfortable with challenging others; seek conflict and take advantage of others for their own personal gains.

5

##### Polite/Friendly

Discrete; avoid imposing their will on others; hate seem pushy; rarely put people under pressure and respect authority; careful to maintain harmony..

#### Openness

##### Conventional

Very literal; don't get lost in thoughts; more interested in fact than abstract theory; value tradition and learn from the past; respect the status quo.

7

##### Inquisitive

Imaginative; look beyond the obvious; think outside the square; may dismiss conventional ideas.

##### Ignorant

Have difficulty understanding abstract ideas; avoid difficult ideas and discussions; learn slowly.

7

##### Intellectual

Value experimentation; open to change; has an objective and abstract understanding of new topics and ideas; can combine a large amount of information; often enjoy solving complex and intellectually demanding problems.

## Conscientiousness

### Relaxed

Feel relaxed; may find difficult to concentrate to work; mostly be tolerant for distractions; able to separate work and personal life.

7

### Diligent

Ambitious; hard-driving; mostly know what to do and show care in their duties; may find it difficult to relax.

### Unstructured

Less dependent on rules and scheduled plans; may cut corners if 'the end justifies the means'; dislike routine; may not be bothered by disorder.

5

### Orderly

Dependent on rules, like routine and order, want to follow tight schedules.

## Neuroticism

### Composed

Emotionally stable and steady; rarely irritated and angered; calm and balanced; high control over emotional impulses.

6

### Sensitive

Emotionally sensitive and unpredictable; feels emotional lability; mostly irritated or angered; actively seek to eliminate perceived threats.

### Confident

Self-assured; rarely persistent on mistakes and depressed; may be overly confident.

7

### Apprehensive

Always worried and feel threatened easily; be prone to be self-critical; may be deficient in self-confidence and persistent on past mistakes.
